

WORKSHOP 1: Student Sheet 2

The Roadside Section below Apes Tor

Sketch of part of the section alongside the Ecton road at Apes Tor, looking S.S.E.
 Structures in the centre of the section have been omitted, to allow for a possible student exercise
 The centre of the section is at SK 098587

Outline sketch map of the area, part of which is shown in the drawing above. The axial plane traces of two of the folds have been shown. Others may be plotted as a student exercise.
